#### FAQ's

Q: Can I use the minibus or van for community transport such as door to door, shopping or attending appointments?

A: No, our fleet can not be used for these types of services, we recommend joining a local scheme such as Dial a Ride or Foryd Centre transport for these services.

Q: Can I use the minibus or van for personal social events?

A: No, our fleet should not be used for any private hire such as attending parties or airport runs.

Q: Our group does not have a driver with MIDAS or category D / D1, can we use the Fleet?

A: It might be possible if we can source a driver, but this can not be guaranteed and something that will only be available in the short term.

Q: Can we take the vehicles abroad?

A: No, our fleet is only to be used in the UK (and is subject to limited daily mileage)

Q: Can we book the vehicle for more than one day?

A: Yes, but keep in mind we will be activly monitoring how fairly the vehicles are being shared out, we would advise you email us prior to booking more than 1 consecuative day and wait for a response, we will assess each request seperatly.

Q. Can our group charge or request a donation from passengers

A. No, Our insurance policy only allows other groups to use the Minibus in "not for hire or reward "situations. Under no circumstances can any passengers make any payment in cash or in kind to your organisation/group that would give the person (s) an opportunity to travel on our minibus

### What is the community fleet?

Our new pool is being created in response to some of the challenges highlighted by local groups, we understood that costs and administration of accessing resources was something a lot of groups found to be challenge.

As such we are building up a "pool" of resources that will be accessable to any groups in our area that will ultimatly be of benefit to the groups and as such the people in our community.

So, it the simplest terms, we will have a selection of vehicles and equipment that your community group will be able to use for free, from sports clubs to food banks, youth clubs to refugee groups we want to try and ensure we can 1. Save you money, 2. Make life easier, 3. Help change peoples lives.

You will soon be able to sign up as part of our community network and access everything we have, we are starting small but hope in the futures to expand on these resources aligned with the feedback you give us.

(From August 2023), we will have, a 17 seater minibus and a 5 seat crew van, we are currently in the process of looking for an Ifor Williams trailer and a large 30ft shippping container (this will be filled with equipment for everything you have told us would be useful, from sports kit to events stands, tools to ICT).

So finally, keep in mind this is something new, we will have hickups, get things wrong and need to learn as we go, please bare with us as we develop this and feedback as much as you can, your thoughts, ideas, and suggests will be essential to making improvements as we go.

If you have any thoughts, ideas or suggestions...

please email: <a href="mailto:hello@brighterfuturesrhyl.co.uk">hello@brighterfuturesrhyl.co.uk</a> or speak to any of our trustees, employees or volunteers.
